### To the People of Highland

Div. 318 Eng. A. E. F. Germany May 18, 1919

W. H. Matheny, Clerk  
Dear Sir:—Received the papers this a. m. and am returning them. Wish you to publish it in the county paper as a mistake; I was only fooling Dad, but I guess my future is a sad one now in Highland, for me.

I came over here to fight for America, and not to marry French girls. If the American girls are not good enough for U. S. boys, we should stay over here in "no man's land" with these wild creatures.

I thank you for your kindness, and trust that you will help me out, as I expect to be at home by July 10th to 20th. I desire that the people of my home county should know that I did not get married "over here."

Very truly,  
Dunbar Alexander  
Co. A 318 Engineers

It will be remembered that Dunbar stepped into the service of his country before his name was called, there fore he has a right to fool "Dad" a little, now and then.

\$2.35 will pay for the Highland Recorder and the Thrice-A-Week World for a whole year.

### Accident

Wilma, little daughter of Mr. and Mrs. W. B. Corbett, was the victim of a painful accident last Saturday. She had taken dinner to her father who has been operating a saw mill on Mrs. K. H. Trimble's land, and reaching the mill while it was still at work, she stepped on the carriage for a ride, as she had frequently done before. As the carriage ran back her foot slipped from the piece of timber on which she was standing and was caught by a revolving wheel in such a way that her foot was badly cut and torn about the instep. Fortunately Mr. Corbett saw the accident in time to stop the carriage before the foot was crushed or torn off.

The little victim was carried home where the family physician rendered needed surgical attention, and she has been doing as well as could be expected.

### Birth Record

The Valley Center neighborhood gave the county a new birth record last Saturday when Mrs. Cecil Bird gave birth to two boys and a girl, all normal and well-developed children. One of the boys died, but the mother and remaining two are doing well.

So far as known this is the first instance in which triplets were born in Highland, a statement that is backed by numerous persons who were interviewed. If this is a mistake, let some one of the older inhabitants speak up and prove that such honors are to be shared with others. No inquiry need be made in Monterey, McDowell, Doe Hill or Crabbottom because such extravagance could only be possible on the farm.

The Recorder extends its congratulations to Mr. and Mrs. Bird.

### SOCIAL EVENTS

One of the most enjoyable events of the season was a party given on last Friday evening by Mrs. W. H. Lunsford, in honor of her brother, Warren Campbell, who recently returned from overseas, and her sister, Kathleen.

Soon after the guests arrived they had an automobile contest, Miss Irene Hevener being the prize winner. This was followed by dancing.

Refreshments consisted of a salad course followed by ice cream and cake. The very enjoyable evening terminated at twelve o'clock.

Those present: Misses Ruth and Mabel Doyle, Mary and Irene Hevener, Lucy Grey Bird, Evelyn Jones, Lena Mae Campbell, Bess Bishop, Messrs. Brown Campbell, Dick Hevener, Jno. Stephenson, Forest Bird, Arthur Campbell, Ralph Trimble, Mr. Koontz.

Mrs. J. Ed Arbogast entertained in her usual charming manner Wednesday afternoon in honor of her guest Mrs. E. M. Arbogast, of Marlinton. Delicious refreshments were served.

Raymond Slaven gave a most delightful party at his home on East Main street last Friday night from eight to eleven o'clock. Games and fortunes were enjoyed by the guests, until they were invited into the dining room, which was decorated in potted plants and ice cream and cake were served.

### IN MEMORIAM

Mrs. Martha Emma McCoy Keister entered peacefully into rest at 11 o'clock on the morning of May 28, 1919, after an illness of only five days during which she was entirely oblivious to all things earthly, opening her eyes just once before passing into the great beyond.

She had reached the age of 76 years and for more than 50 years had been a consistent member of the Presbyterian church. Always a liberal and cheerful giver to the church and all worthy causes she purely pleased God for He loves a cheerful giver. Her faith was simple and strong, her devotion to the truths of our most holy religion, as found in the worship and teachings of the church of her fathers, was steadfast and unwavering.

She was the widow of Renick Keister who passed on many years ago, also several children died of diphtheria, three being dead at once. She is survived by the following: Mattie and Henry Keister of California, Mrs. Cameron Siron of Illinois, Mrs. Chas. Bradshaw and Mrs. J. M. Siron of McDowell, and William M. H. Keister, Supt. of city schools, Harrisonburg, Va. Also several brothers and sisters among whom are John McCoy of Cala, and Benj. McCoy, of Iowa. Numerous grandchildren and other relatives.

Funeral services were held at Bethlehem by Rev. L. M. Moffett assisted by Rev. Dr. Wilson of Harrisonburg and Rev. Snead of the Methodist church.

Floral offerings were numerous and very beautiful.

Interment was made in the family burial ground near Siron's Mill. X

### Don't Let Your Eyes Get Prematurely Old.

Many people let their eyes grow old before they do because they neglect the first indications of imperfect vision.

It pays to attend to these things promptly. A trifling defect today may develop into serious trouble six months hence.

If you have the slightest reason for suspecting eye trouble you should consult us at once. You will be assured of an accurate eye examination and fair treatment. If you do not need glasses we will tell you so frankly.
